

LEXINGTON CITY SCHOOLS
A SACS DESIGNATED SUPER DISTRICT FOR QUALITY SCHOOLS

IMPACTING THE FUTURE OF OUR SCHOOLS

Tax-deductible donations can be made to support public schools.

The Lexington City Schools Foundation welcomes your tax-deductible contributions through your tax returns. This public/private partnership supports public school improvement projects approved by the local school board. Our Foundation Code Number is 678001 and is published in the Virginia Income Tax Booklet.

The Community Foundation allows for giving donations to specific programs for individuals or businesses. The lacrosse program at LDMS, for example, is supported by a donor through this program. These donations are also tax-deductible.

YOU CAN MAKE A DIFFERENCE! For more information on either program, please contact the School Board Office, 540-463-7146.
