SUBJECT: Renewal Applications for School Year 2026-2027

DATE: February 2, 2026

It is a pleasure to work with you and your student(s) in the Lexington City Schools, and we are already making plans for the 2026-2027 school year. Attached to this email is the **Non-Resident Student Application** for next year. You will need to print an application for each child who wishes to return to Lexington City Schools next year. **We will start accepting applications at the Lexington City School Board Office located at 300 Diamond Street on Monday, February 16th. This registration event is scheduled from 9:00AM to 4:00PM.** Applications will also be accepted at the school board office after February 16th. Please plan to complete and return the non-resident student application(s) with the required non-refundable \$400 registration fee. Tuition for the current school year (2025-2026) must be paid in full before renewal applications will be accepted.

Annual tuition for the 2026-2027 school year will be **\$1540** per student with a non-refundable registration fee of **\$400** per family. Applications will be reviewed and considered for approval on an individual, first-come, first-serve basis. Approval is not guaranteed year-to-year and is at the sole discretion of the Lexington City School Board. Space availability at the requested grade level is a key consideration for non-resident approval.

Renewal applications will be acted on at the regular June School Board meeting. Preference will be given to children of LCS employees, children of City of Lexington employees, and siblings of renewal applicants. Any applications received after the June School Board meeting will be considered in the order received.

A first tuition installment of **\$770** will be due **by August 6th, 2026** in order for your student to be enrolled to start school on August 12th. A second tuition installment of **\$770** will be due **by January 4th, 2027**.
